MBA honors Auburn's Sockeye Homes with Remodeling Excellence Award

Jul 22 2010

The Master Builders Association of King and Snohomish Counties and the Remodelers™ Council honored 17 of its members – including Sockeye Homes of Auburn – at its recent Remodeling Excellence Awards banquet in Seattle.

Sockeye Homes was honored in the Outdoor Living Excellence category for its work on an entry porch deck valued at less than \$40,000.

A judging panel, which consisted of local and national remodelers, media experts and architects, received a total of 59 entries for 20 categories. The submitted projects ranged from bathrooms less than \$40,000 to whole-house, dream remodels more than \$600,000.

Sponsored by the local chapter of the Remodelers™ Council, the REX Awards is an annual event that recognizes the best in local remodeling projects. Founded in 1909, the Master Builders Association www.masterbuildersinfo.com is a trade association comprised of more than 3,700 companies involved in the residential construction industry. It is the nation's largest local home building association affiliated with the National Association of Home Builders.
